

# Environmental Compliance

## Check Your Request status

If you have not heard back from Intel on your account status, then following steps can help understand the status of your request.

- i. Go to <https://supplier.intel.com/supplierhub/>
- ii. Select **Registration** from left hand side menu under **Application Info**
- iii. Click on Manage my Account on the left hand side menu

Supplier.intel.com

## Registration

**Welcome to the Supplier.intel.com registration application:**

Because certain documents, applications and data on Supplier.intel.com are confidential, it is necessary to limit access to registered users only.

**New Users**  
To apply for access to Supplier.intel.com confidential areas, choose one of the following:

- [Intel Supplier](#)
- [Intel Employee and Contingent Worker](#)

**Registered Users**  
If you are already registered as a user on Supplier.intel.com, you can edit your account or apply for additional access:

- [Manage My Account](#)

Need help? Check out [Frequently Asked Questions](#).

- iv. Enter login in credentials when prompted
- v. Click **Check Status of application and EVM Request** in the left hand side menu

Supplier.intel.com

## My Account

The **Manage My Account** module on Supplier.intel.com allows you to maintain many aspects of your account through the following menu items:

- **Maintain Personal Information** – View and update information on your account such as e-mail address, street addresses, and e-mail notification elections.
- **Request Access to Additional Applications** – Request access to applications on Supplier.intel.com (such as WebSuite, etc.).
- **Check Status of Application/EVM Requests** – Check the status of access requests for additional applications or application to become an Employee Validation Manager.
- **Become an EVM** – Apply to become an Employee Validation Manager for your company.
- **View Company EVMs** – View a list of the Employee Validation Managers for your company.
- **Remove Account** – Remove your account on Supplier.intel.com.
- **Change Password** – Change your password to Supplier.intel.com.

Need help? Check out [Frequently Asked Questions](#).

- vi. The following screen displays the **Application Request status** and the **EVM Application Status** and these are potential reasons why you have not received an account approval or reject notice. Please contact your EVM and make sure they approve you as it's only after EVM approval the request comes to Intel.
