Please carefully read the User Manual before using the product.

Product Parameters

Product Name: OnePlus Warp Charge 30 Power Adapter
OnePlus Warp Charge 30 Power Adapter (US)
Model: WC0506A51GB/WC0506A52GB/WC0506A5HK/
WC0506A51JH
OnePlus Warp Charge 30 Power Adapter (EU)
Model: WC0506A3HK/WC0506A31JH
OnePlus Warp Charge 30 Power Adapter (UK)
Model: WC0506A4HK/WC0506A41JH
OnePlus Warp Charge 30 Power Adapter (IN)
Model: WC0506A21GB/WC0506A22GB/WC0506B21HK
Input: 100-240V / 50/60Hz 1.2A
Output: 5.0V=2.0A or 5.0V=6.0A Max for Warp Charge 30
Temperature: 0°C to 40°C
OnePlus Warp Charge 30 Power Adapter also can support
most digital devices, such as smart phones, tablets.

Features Introduction

1 Standard Charging

Use the provided Warp Charge cable to connect your device which is not support Warp Charge, your device will be charged by standard output.

2 Warp Charging

Use the provided Warp charge cable to connect OnePlus device which support Warp charge, your device will be charged rapidly.

Warm prompt:

Efficiency at load (η %)	81.00%	83.50%	81.00%	83.50%	
No-load power consumption	0.056W				

FCC Regulatory Conformance

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference; and
(2) This device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no

guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: To comply with the limits of the Class B digital device, pursuant to Part 15 of the FCC Rules, this device is to comply with Class B limits. All peripherals must be shielded and grounded. Operation with non-certified peripherals or non-shielded cables may result in interference to radio or reception.

MODIFICATION: Any changes or modifications not expressly approved by the grantee of this device could void the user's authority to operate the device.

Industry Canada Conformance

IC Regulations:

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- This device may not cause interference; and
- This device must accept any interference, including interference that may cause undesired operation of the device.

CAN ICES-3(B)/NMB-3(B).

The Country Code Selection feature is disabled for products marketed in the US/Canada.

Règlementations de l'IC:

cet appareil contient un ou plusieurs émetteurs/récepteur exempts de licence conformes aux normes CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. Son exploitation est soumise aux deux conditions suivantes:

- Cet appareil ne doit pas produire d'interférences.
- Cet appareil doit accepter toutes les interférences qu'il reçoit, y compris celles susceptibles de perturber son fonctionnement.

CAN ICES-3(B)/NMB-3(B).

La fonction Sélection du code pays est désactivée pour les produits disponibles sur les marchés américain/canadien.

India E-waste information

This device manufactured by OnePlus comply with the E-waste Rules 2016 and its amendments. Considering the exemption listed in SCHEDULE II of the E-waste Rules, the content of hazardous substances is as follows:

- Lead (Pb) - not over 0.1% by weight.

- Cadmium (Cd) - not over 0.01% by weight;
- Mercury (Hg) - not over 0.1% by weight;
- Hexavalent chromium (Cr6+) - not over 0.1% by weight;
- Polybrominated biphenyls (PBBs) - not over 0.1% by weight;
- Polybrominated diphenyl ethers (PBDEs) - not over 0.1% by weight.

For the purpose of recycling and reducing the effect of the environment, the Electrical & Electronic Equipment should not be disposed of with other household waste, please separate these items from other types of waste and recycle them to the authorized e-waste company. As a part of E-waste recycling initiative, OnePlus has partnered with an authorized E-waste companies named Attero and Exigo. You can contact Attero or Exigo to recycle your E-waste product. For further information about the OnePlus E-waste partner named Attero and Exigo, you can contact at

Warranty Policy

OnePlus phones and accessories are made to the highest standards and undergo rigorous testing. If you are not satisfied with your OnePlus product for any reason, you may request a return within a limited time. For more detailed information, please refer to the warranty policy on our website. Once we approve your request and receive the product, we will give you a full refund. Any shipping and handling fees incurred in the return process are not covered by the refund. We may also choose not to accept returns within these circumstances:

- Defects or damages caused by misuse, neglect, physical damage, tampering, incorrect adjustment, normal wear and tear or incorrect installation after purchase.
- Price fluctuations being the sole reason for return.
- Customized customer contracts.

In accordance with the U.K. Consumer Rights Act 2015, any goods that are not (1) of satisfactory quality, (2) fit for their given purpose, or (3) as described, may be returned free of charge within 30 days of delivery. Please submit a ticket describing the problem with your device. In order to be eligible for a refund, you must contact us within 30 days and describe in detail how the goods were defective, damaged, or materially different. We may choose not to accept returns for any of the above mentioned circumstances.

In all cases, we will inspect the product and verify the fault. To qualify for a replacement or refund, devices must be in "as new" condition and, with the original packaging. Accessories must be sealed in their original packaging. We reserve the right to refuse a refund if the product returned is deemed to have been damaged. Please contact OnePlus Customer Support to request a return at oneplus.com/support.
