Pastel Payroll & HR Partner Advantage

The right payroll software is a major advantage. Ideal for any size business.

Give your business the successful advantage - work smart, stay on track and keep growing.

Running Sage Pastel Partner Payroll Advantage software will offer you all the benefits you have come to expect from this trusted brand.

This **SARS compliant** solution is ideal for rapidly growing businesses who need a comprehensive payroll.

Your **tax submissions and EMP201/EMP501 returns** are simple, your **payslips are customisable** and there is **smooth General Ledger (GL) integration** with Sage Pastel Accounting.

Mobile services allow employees to make use of the mobile app to access payslips and leave balances.

You can now also enjoy more flexible processing methods for managing larger sets of data. The **cloud based Self Service** portal allows for online data storage, workflow and approval, and data sync between cloud and desktop.

Take the next (important) step in ensuring the success of your business. Invest in an affordable, automated payroll solution - Sage Pastel Partner Payroll Advantage.

Advantages for your business

- Process weekly, fortnightly and monthly paid employees with ease.
- Make SARS submissions a breeze with **consolidated reporting** for multiple companies with multiple databases.
- **Self Service Advantage** links your organisation's multiple payroll companies into one Self Service portal - empower your employees to access their secure online profile, submit travel claims and manage their leave. With **Cloud HR**, certain HR functions are taken directly to each line manager and empowers them to manage their staff directly. This includes online data capture, manager access to staff records in the cloud, distribution of HR related forms online with built-in workflow and approval, as well as email notifications.
- **Bulk Terminations and Reinstatements** makes it easy to dismiss or re-employ multiple employees at once - especially useful if you employ seasonal or project-based employees.
- **Four feature-rich modules included,** giving you a complete range of tools that add value to your payroll processes:
  - **Human Resources Management** - an easy-to-use desktop HR System for human resource managers, suitable for any size and type of business.
  - **Salary Structuring** - simplifies the task of structuring a Total-Cost-To-Company remuneration package for each employee.
  - **Multiple Transactions Manager** - complete more than one task easily, from only one screen.
  - **Third Party Payments** - disburse company deductions or contributions, like medical aids or pension funds, with the click of a button.
