ADDITIONAL IMPORTANT INFORMATION:			
Recommended	We strongly recommend you speak to your Sage Evolution Business Partner regarding the system requirements recommended for your specific environment.		

OTHER SYSTEM REQUIREMENTS:

- DVD-Rom, 256 Colour VGA or SVGA Video Graphics.
- The on-line help requires Internet Explorer version 6 or higher, or a compatible browser.
- To use touch capabilities in Windows 8, you need a tablet or a monitor that supports multi-touch.
- Up-to-date network drivers, service packs and updates for your network and operating systems.
- Windows 7/8 (and above) personal computers/notebooks need to ensure that the recommended RAM memory requirements and Video Graphics adapter are met.
- The above serves as a guideline. Hardware requirements may differ depending on the operating system and the version of SQL Server. For Microsoft™ SQL Server 2012 / 2014, please note that there are additional software requirements to adhere to. Please refer to the SQL Server specifications documentation, available from the Microsoft website, for more information.
- Sage Intelligence Reporting and Microsoft Office: We do not support Microsoft Office Home and Student (2010 and 2013) or Microsoft Office 365 Online. Microsoft Office Home and Student is not licensed for business or commercial use.

**The system requirements are subject to change. For the most up to date system requirements, please visit www.sage.com/za.*
