sage Payroll Outsourcing

OUTSOURCE PAYROLL
WITH CONFIDENCE

COST-EFFECTIVE. SECURE. COMPLIANT

SAGE PAYROLL OUTSOURCING
let the experts manage your payroll

Our focus is to partner with you to ensure that your time is better spent on running the business, safe in the knowledge that your payroll is being managed expertly.

Based in our Australian office, our Sage Payroll Outsourcing Team has extensive experience processing pays for companies of all sizes, ranging from 1 to 25,000 employees and we can work with you to customise a solution to meet your business requirements.

Free yourself from payroll

Today it's critical that businesses utilise the available resources effectively and are up-to-date with current trends to stay competitive. Sage Payroll Outsourcing understands the importance of reducing the time and effort spent on administrative activities.

Payroll has been our expertise for over 30 years, and we recognise its critical nature as a core support activity to any business. Our aim is to provide you with expert knowledge and professional services so that you can focus on managing the business.

Why choose to partner with us?

Reliable and experienced Payroll Team
Sage Payroll processing is conducted by qualified payroll professionals, not data entry clerks.

Full data portability
Should you wish to subsequently insource the payroll processing function, your historical data can be provided in a format suitable for importing into a payroll system.

Stay compliant
Minimise your payroll risk knowing that our software always uses the latest legislative tax scale changes.

Control your costs
Save on payroll infrastructure labour expenses of an in-house Payroll Department. No hidden fees or charges, simply pay for the service as you use it.

Comprehensive reporting
Customised reporting delivering meaningful data to suit business requirements.

Privacy and security
Safeguard your most sensitive data in the workplace. You can be assured that our team will keep your payroll information confidential.

Data sovereignty assured
In order to meet Australian organisations' expectations, Sage Payroll Outsourcing ensures your data remains on Australian based data servers. This includes replications and backups.

Continuity of payroll processing
Disasters can occur when you least expect it. Our Payroll Team have the resources and business continuity plans in place to ensure your payroll processes continue.
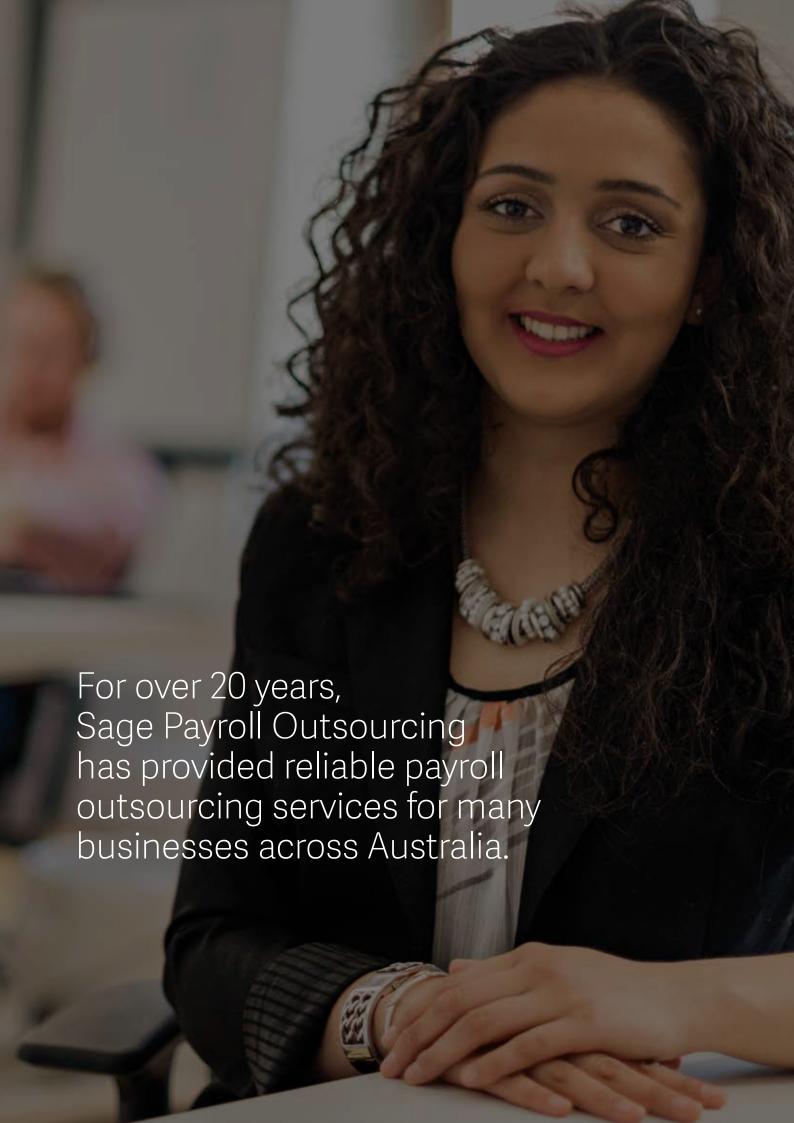

Streamlined implementation
A dedicated Implementation Consultant will support you through the process to have you up and running quickly.
